EIP

Two senior associates appointed

EIP have hired Marcus Cavalier and Nick Transier as senior associates.

Marcus is a patent attorney with more than 20 years of experience in IP. He is a European and Chartered UK Patent Attorney who specialises in patents for mechanical devices. Marcus is based in the firm's London office.

Nick joined EIP from an Am Law 100 firm. He is a Registered U.S Patent Attorney and specialises in electronics and telecommunications patents. Nick is based in EIP's office in San Diego, California.
