

EIP

Neil Condon to speak at CEMAS mobile technology event

Partner Neil Condon will speak about the forms of IP protection available to SMEs and start-ups in mobile technology at an event on 28 September.

The event is hosted by The Centre of Excellence in Mobile Applications and Services ([CEMAS](#)) which helps SMEs and start-ups in Wales develop, test and market their appS.

The CEMAS IPR, Business Growth and Networking event takes place at the Hilton Hotel Cardiff. For the full programme and to register for free, click [here](#).
