

EIP

EIP to exhibit at Low Carbon Vehicle Event

EIP will again be exhibiting at the UK's biggest event for low carbon vehicle technologies – LCV.

LCV takes place at Millbrook Proving Ground on 4-5 September and features a technology exhibition and extensive seminar programme. EIP partners Richard Gordon-Brown and Paula Flutter, and associates Ritchie Daniel and Thomas Goodfellow will be available on the EIP stand to answer any IP queries.

If you would like to arrange a meeting with anyone from our team, please email events@eip.com or visit us at stand C4-210.
