

EIP

Trainees' exam results among top ten in UK

Three trainee patent attorneys from EIP have achieved the highest grades possible in the Certificate of Intellectual Property examinations.

Fergus Tyrrell, Paul Beynon and Gemma Wooden all achieved a distinction in the course at Queen Mary University of London. Of 58 candidates sitting the exams, only ten achieved a distinction, with Fergus attaining the second highest distinction in the year.

Partner Jerome Spaargaren said: "This was a truly exceptional set of exam results by our trainees this year. I'd like to congratulate Fergus, Paul and Gemma on their success and what is a fantastic start to their careers in IP."
