## Andrew Sharples and Darren Smyth hold workshop on SPC strategy

Partners Andrew Sharples and Darren Smyth will hold a pre-conference workshop at the C5 11th International Forum of Pharma Patent Lifecycles on 19 June.

The two-day event will focus on recent cases across Europe and the US and their impact on the latest regulatory developments and strategies for patent lifecycle extensions, and features a panel of expert speakers.

The afternoon workshop will equip attendees with the tools and practical insights to design an effective and up-to-date SPC strategy. The conference itself takes place on 20-21 June at the Crowne Plaza Hotel in St James, London.
